

## STUDENTS WITH DISABILITIES

In accordance with the Americans with Disabilities Act and Section 504 of the Rehabilitation Act, Colby Community College shall adhere to all applicable federal and state laws, regulations, and guidelines with respect to providing effective communications and modifications as necessary to afford equal access to programs for qualified persons with disabilities and to ensure that no qualified individual shall be, by reason of disability, excluded from participation in, or be denied the benefits of the services, programs, or activities of CCC, or be subjected to discrimination by CCC.

Colby Community College is committed to providing equal access to employment, educational programs, and activities for students with disabilities. The Institution recognizes that students with disabilities may need accommodations to have equally effective opportunities to participate in or benefit from the Institutional educational programs, services and activities. Conformance to this policy does not negate the responsibility of CCC to ensure that accessible technology and course content complies with applicable accessibility standards.
