

**Colby Community College (CCC) Feed Wagon
RFP (Submission deadline is noon on November 16, 2023)**

Overview and Background:

Colby Community College is located in the northwest corner of Kansas, approximately 50 miles from the Colorado and Nebraska borders. The college was established in 1964; it is a dynamic institution of more than 2,400 students. In addition to a main campus of approximately 60 acres, CCC operates a 60-acre farm for students to use as a hands-on laboratory and training facility. CCC is seeking bids for a new feed wagon for their 60-acre farm.

Project Goals:

CCC is seeking competitive, sealed bids in order to purchase a new feed wagon for their 60-acre farm for feeding livestock. This equipment is needed for the training and curriculum that occur at the College's training facility, located at 2002 Co. Rd. 23, Colby, Kansas 67701

General Information:

CCC is requesting a new feed wagon for accurately weighing, mixing and distributing feed and hay to meet or exceed the following specifications:

- Feed mixer with scale
- Loader height of one hundred six (106) to one hundred twenty (120) inches
- Machine weight of ten thousand (10,000) to fifteen thousand (15,000) pounds
- Maximum net load of twelve thousand (12,000) to fifteen thousand (15,000) pounds
- Total length of two hundred fourteen (214) to two hundred eighty (280) inches
- Transport width of one hundred eleven (111) to one hundred eighteen (118) inches
- Working width of one hundred thirty (130) to one hundred thirty-seven (137) inches
- Standard tires
- Capacity of three hundred fifty (350) to five hundred ten (510) cubic feet
- Steel tub walls
- Front conveyor that can discharge to the left or the right
- Maintenance plan for servicing feed wagon
- Discharge can be either right or left-handed

Any questions can be directed to Shane Watson, Farm Manager, at (785) 460-5484 or shane.watson@colbycc.edu.

The RFP will be posted on CCC's website, <https://www.colbycc.edu/vendors>, and can be downloaded from there directly as of 5:00 p.m. on November 1, 2023

Project Timeline:

The Feed Wagon bids proposed **MUST** include an ETA for delivery to CCC on or before June 30, 2024. If you are not able to meet or exceed this deadline, please provide a timeline that you
