8. Current Certified Nurse Aide (CNA) Certificate

A current CNA certification is required for admission into the practical nursing program. The CNA certification can be obtained before August 1, 2021. Certified Nurse Aide courses are available at CCC. Please call 785-460-4797 for further information about enrollment into these courses. A maximum of 4 points will be awarded for months of experience at the time of the application deadline.

Date of Initial CNA Certification _____

Months/Years of Experience _____

No Certification = 0 points

0-6 months experience = 1 points

6 months to 1-year experience = 2 points

Over 1 year of experience = 4 points

_____ / 4

9. Immunizations

Students entering any health care program should be aware that they will be in close contact with other individuals having a variety of health problems in which the etiology may or may not be known. Therefore, the nursing program has specific precautionary
